Adams Stresses Military Training On Armistice Day

Group Of 1,200 Citizens See Post Office Dedication Saturday

Approximately 1,200 citizens viewed the Armistice Day dedication Saturday morning of the \$30,000 post office built by the local American Legion post.

Preceding the program, a parade including the high school band, National Guard unit, boy and girl scouts and the 40 and 8 locomotive went down the main streets and terminated on the post office grounds.

Dedicating the modern post building to the memory of American veterans of the two wars, Joe H. Adams, national vice commander of the American Legion, stressed that strength is the only hope for peace.

"Preparedness is the price of peace," the speaker stated, pointing out the need for a peace time military training program.

Such a program would entail a year training period for all young men. They would return from the training stronger physically and more mentally, Adams explained.

"Without such a program our nation will never achieve adequate military organization," Adams pointed out that the Legion has gone on record condemning the secretary of state and advocating reconstitution of the state department.

Pascal Reese, past department commander of West Palm Beach, introduced the speaker and presidents of local organizations. He presented N. D. Willis with a life membership in the American Legion. The high honor is in recognition of Willis' long service in securing the post office building.

Luther Jones was in charge of arrangements and R. Y. Creech, Jr., of the program.

The Legion sponsored a chicken barbecue in front of the hall following the ceremonies.

What price turkey for Thanksgiving feast? Ready to pay the greatest sacrifice for the winged creatures, George Young, Roy Vandegrift and others and several meat buyers will attack the wilds of the Big Cypress.

According to George, his hunting technique will consist of guiding the jeep to the most promising spot, remaining in a semi-reclining position and talking turkey to the fine feathered fowls.

George of England has something in common. The king recently suffered miseries in his back. He got the ailment while inspecting royal guards during cold weather.

Likewise Howard has been suffering with the aching muscles. Just what he was inspecting at the time he contracted the ill has not been reported. The new Howard has left the cane behind, however.

The little chamber of commerce building is receiving sprucing up lately and operations sometimes are continued in spite of difficulties. The new Howard has left the cane behind, however.

DR. BAIR SPEAKS TO LIONS CLUB ON GRASSES

Dr. Roy Bair, local soil scientist, spoke to the Lions Club on "Growing Lawns" at the regular Wednesday luncheon meeting.

"Anyone can have a good lawn if they see that the grass has the proper balance of nutrients," Bair stated.

He stated it is possible to grow grass in this area faster than is being done at present.

Information on growing grass throughout the state is contained in an illustrated bulletin written by Bair which will be off the press soon. The bulletin is written in readable style for the layman, Bair said.

Mrs. Margaret Bodenstien of the Palm Beach County Tuberculosis Association pointed out the terrific cost the disease is to taxpayers in a short talk.

Much of the cost is derived from Christmas seal sales, she said. She urged that everyone take advantage of the free x-ray service in guarding against the disease.

Written pledge statements were distributed among the membership for contributions to the club's cattle ranch project.

441 Association To Hold Meeting

The 441 federal highway association schedules a meeting November 27 at 7:30 in the Okeechobee chamber of commerce, according to the local chamber of commerce secretary.

E. Hotard, president, W. F. Crider, and Henry O. Esward will represent Belle Glade at the meeting.

Publication of a pamphlet outlining things to see along the route and signs advertising the highway will be discussed on the agenda.

WALTER H. WATKINS, JR., of the program.

The Legion sponsored a chicken barbecue in front of the hall following the ceremonies.

Defense Council Divides Town Into Operation Districts

Newly formed Civil Defense Council, local group of the National organization for home front defense in emergencies, met for the second time to proceed with organization a week ago Thursday night. A third meeting was held last Thursday night.

T. R. Allen, director of operations, stressed the need of organizing and setting up by laws in the week ago Thursday night meeting of the council. He suggested that the city commission declare a state of emergency.

The group designated the city hall as the defense headquarters and divided the town into three districts corresponding to the voting boroughs. District wardens will be residents of their sections.

AREA MANSIONS INVITED TO ALL-MANSION MEET

Mahli Temple, A. O. N. M. S., Shriner chapter of Miami, will be host at an all-mansion meeting November 20 at 8 p. m. in the Miami Beach auditorium.

Mansions and their families from all over the state are invited to attend the program, according to Russell W. Houston, Potentate of the Mahli Temple.

Helen M. Potentate, Imperator, will speak. The program will include a concert by the Mahli band at 7:30 and a song led by the Mahli Chanters. Uniform units will be in full dress.

Bake Sale Tomorrow

Mrs. Thomas Erwin announces a Bake Sale to be held by the Mahli Demonstration Club tomorrow, beginning at 9 a. m., between the old post office building and the city hall on Avenue.

Fathers Take Over PTA Meeting With Speaker B. Elliott

Sidewalks Will Probably Be Built By State Road Department To School

At a planned "Fathers Night" of the local PTA Monday night approximately 140 persons enjoyed a lighter side with Ed Lively's creaking bones leading cheers by the fathers and Virginia Lively leading the women in a satirical song about Father being a "weasel."

B. Elliott, introduced by Henry Earwood, legislative chairman discussed the foundation plan for Florida schools briefly and in answering the questions precipitated a lively discussion of the overall prospect for the state.

Mrs. Ruth Wedgeworth Timmons, as an original member of the Foundation Committee, discussed the condition of the county's housing facilities, as well as took part in the general discussion.

B. Elliott assured the audience that as speaker he had made his selections, practically for Committee Chairmanships, especially of the Finance and the School Committees. Each prospect has been asked if they would be willing to accept the position as a month or more in Tallahassee during the winter to acquaint himself with the budget now being prepared for the '51 legislature's consideration. Unless the answer is affirmative on all three, that is, the inclination, and the finances to spend a month or more in Tallahassee during the winter to acquaint himself with the budget now being prepared for the '51 legislature's consideration. Approximately 2,000 fans witnessed a running-passing duel with the Rams having the lead, early in the second quarter the Rams gained a 14-0 lead and pushed it to 20 to 6 at the half.

The Trojans recovered with fancy passes in the second half to match touchdowns and make a closer game.

Bucks Joe Revels and Al Leathers sparked the Rams' running game. They broke through and drove hard on quick openings. The two backs accounted for four of the five touchdowns. Leathers made runs of 19 and 54 yards and Revels scored from 31 and 2 yards out.

The Trojans completed 12 out of 25 passes good for 194 yards. The Rams' defense held the Trojans to 100 yards in the first half. Leathers set up the first Rams touchdown when he went out on the Trojan 10 Bill Mizell ran Snapp's punt back 11 yards to the Lake Worth 30 and six plays later Leathers shot off right tackle, cut back and bulled his way 19 yards for the score. Ray Caldwell made the first of his four place-kicks.

The Belle Glade Lions Club will sponsor a colored football game between the Everglades Vocational High Bobcats and the Myers Negro High School Thanksgiving night at Memorial Field.

Both schools schedule color-movie shows.

GROWERS MEETING TUESDAY NIGHT

Important meeting of the Glades farming interests has been called under the auspices of the Everglades Branch of the National Fruit and Vegetable League for Tuesday night at 8 in the Belle Glade city hall.

All farmers, harvest contractors, packing house operators and others interested in the whole Canal Point-Clewiston area are urged to attend.

Discussion will stress the vital labor situation which confronts the Glades as the harvest season nears.

Rams Slated To Strengthen League Position Tonight

Ready to strengthen their position behind unbeaten Ft. Pierce in the Suncoast Conference, the Rams are set for their conference game with Seacrest tonight at Memorial Field.

With a powerful running attack, the Rams defeated the Lake Worth Trojans who relied on the pass.

The Rams are favored for the title tonight, for Seacrest has triumphed only twice.

Col. Jones To Talk On BPW Program

Col. Bruce R. Jones, commanding officer of the 301st station complement headquarters in West Palm Beach, will speak on a public program to be sponsored by the Business and Professional Women Tuesday night at 8 in the Country Club of the Everglades.

The event will be in connection with the club's international relationship program, according to Mrs. Harry C. Deane, chairman.

To speak on world peace, Col. Jones is a student of world affairs. He was an active reserve duty on an extended period and served in the Pacific theatre during the war.

He is scheduled to speak here on October 17 as a feature of Business Women's Week, but due to the threatening hurricane, the program was postponed.

Prizes to high school girls for the best papers on chosen vocations will be awarded during the program.

An informal reception will follow the address to which all organizations are invited, according to Mrs. Delaney.

LAW AUTHORITIES HERE APPREHEND CRIMINALS WANTED ON EAST COAST

The city police department, deputy sheriff and highway patrolman furnished quick action early Sunday morning in apprehending two Negro men wanted for filling station robberies in Hialeah, Dania and West Palm Beach.

Patrolman Walton Sheffield received the report to be on the look out for the men on Saturday night and he immediately informed Deputy Sheriff Gibb Gross and police headquarters.

The two men, who were joined Gross and Sheffield in the search about 1 a. m. They spotted the wanted men at 11 Six-Mile Bypass and trailed them to the city limits where they arrested Fred Austin, Charleston, S. C., and Emory, who were looking for beans.

The robbers were held in the local jail until arrival of West Palm Beach police. Dr. H. H. Bennett, who was in charge of armed robbery in criminal court Tuesday.

ALLISON MAKES QUICK STUDY SURVEY IN CUBA

Dr. R. V. Allison, director of the Everglades Experiment Station returned to the scene of his early work in Cuba last weekend to make a hurried survey on possibilities of cooperative research studies.

Dr. Allison made the visit at the invitation of one of the large sugar companies there. He visited ten of the company's five large plantations and found them to have excellent irrigation facilities which would facilitate cooperative studies.

Before coming to the station here, Dr. Allison conducted a reconnaissance soil survey of the entire island, visiting Dr. H. Bennett. His findings were published in a book, "The Sugar Cane," which is still being used although out of print.

Cuba has extended agricultural interests far beyond the sugar cane crop to include pasture development, cattle, fiber and other crops, and others, Allison reports.

Plans for the Local P. T. A. Spaghetti supper which was scheduled earlier in the school year for Saturday, November 18, were concluded Monday by the P. T. A. committee.

Elementary students will have a program of Thanksgiving music at 8:45 in the morning under the direction of Miss Marian Najarian.

In the afternoon from 1:30 to 2:30 the Glades Club directed by Miss Najarian and the band directed by Howard Payne will perform on the high school program.

The public is invited to attend, Hobson says.

Following the programs, students will have a pep meeting and form a motorcycle parade to proceed through South Bay, Belle Glade and Pahokee.

Team members have selected Miss Margene Mathewson and Miss Florence Bore as Ram sponsors. Captains for the game are chosen by the "B" Club are Bill Mitchell and C. W. Crosby.

Peep meeting and parade are scheduled for Wednesday afternoon when floats, spectators and the band will form a motorcycle and proceed through South Bay, Belle Glade and Pahokee.

POLICE CRAFT TO BE IN SHIP SHAPE SOON

Nifty craft of police department members will be in ship shape by the time present plans are completed.

According to a group spokesman, the boat will be renamed, resanded, repainted and recalibrated in its dry dock on water department grounds.

Christening will then be in order, the spokesman said.

Hurricane Hit Fields Bring Small Yields And Medium Prices

The Glades biggest gamblers—growers and produce men—have had a short deal with nature's elements and for the past three seasons have lost their chips. But future of the season looks bright as they salvage hurricane scarred and twisted produce and place high hopes on healthy crops now appearing above the muck.

Last season's wind of colored beans were sorted out from hurricane ravaged fields. The laborer's best looking acre—was very low according to produce men. The beans are selling between \$4 and \$6 with some falling into and a small quantity going higher than the average.

Beans planted after the hurricane have been looking good in years, growers say. The healthy crops have flourished under recent ideal growing conditions of cool nights and occasional showers.

With heavy picking of these crops predicted for December 1 through 10, another obstacle—acute labor shortage—before the farmers.

Lesly produce such as cabbage and escarole and corn planted after the big blow will not be on the market in any quantity until sometime in January.

Through nature's scheme of droughts, flooding rains and storms, local growers, produce men, harvest hands, and merchant have reached their last belt hole. They are pinning their last hopes on early fall crops swept away by the hurricane. The outlook is gloomy for federal loans with crops mortgaged to the government.

Hoping for a change in the short odds, farmers view mid-winter and spring crops with the high and eternal hopes of veteran dice shooters.

Poole's short kickoff on the Lake Worth 40 at the start of the second quarter.

Bailing, the Trojans came back and scored on a 63 yard aerial drive. Jan Jennings ran 22 yards. Phifer passed to Roger Painter with the play carrying for 40 yards. Brooks passed to Phifer for 11, and

Phifer to Roach pass was good for the final 10 yards. Belle Glade broke off left tackle, shot into the clear and ran 64 yards to score on the first play following the third quarter kickoff.

The Trojans again came back with an 83-yard drive with Brooks to Phifer passes, a 12-yard run by Brodie Alwater, with a final Brooks to Mason pass good for 15 yards and a 12-yard run by Brooks to Phifer for the Trojans only extra point of the night.

Midway in the final quarter, the Trojans took a Belle Glade punt on their own 47 yard line. Harry Danner sneaked for nine yards and Phifer then passed to Hinn in the end zone for a 44 yard aerial touchdown.

Lake Worth's heightened hopes falter again when the Rams got another drive going after the teams exchanged fumbles on the Lake Worth 42 yard line. The Trojans broke off left tackle, moved to the two and Brooks hit center for the score.

Bands of both schools presented colorful half time shows pointing up the Armistice Day theme.

Monday night 7:30 p. m. the Women Home Mission Society was opened with a spiritual devotion led by the vice-president, Mrs. Carrie Johnson. Then the newly elected president Mrs. Rosa House was in charge of the meeting. Scripture lesson was read for 2nd Cor. 8:15. The Mission lesson was read from the guide by Mrs. Annie Mae Everett.

Lesson Subject an example for faithful stewardship. Then Mrs. Julia Holland came forward and gave some highlights on the lesson. And also, Mrs. S. A. O'Neal the Bible Exposition gave brief and interesting remarks on the lesson.

Plans was set to raise funds to represent in the Association which will convene with the church beginning Nov. 29, Dec. 2, 1950.

On Sunday 3:00 P. M. the city wide Mission will meet. The president is requesting that all members be present. Also Sunday night there will be a contest between the W. H. M. president and the Y. W. M. president.

Monday night, Nov. 20, the Y. W. A. is sponsoring a rain-bow service. The president wishes that all members be present. Mrs. Bailey, the physical Education teacher of the Everglades Vocational High School will be the guest speaker. The public is invited to attend.

The Bean City Elementary School observed National Book Week, Armistice Day, and National Education week by having displays, programs, speakers, and plays. Each pupil entered wholeheartedly in to these observances.

The Junior American Red Cross meets with the Bean City School this Thursday at 2 o'clock. A short program and play entitled "The Thankful House." The election of officers will take place and repass will be served by our "Juniors." Pavers made for the hospitals will be turned in to Mrs. M. Pringle at the close of the meeting. This is the first time the Juniors have met with the Bean City group.

Mrs. Ora D. Lee, our Progressive Principal, motored to Tallahassee last week with Mrs. Evelyn Mitchell, principal of Ritter Elementary School, to attend the inauguration of President Gore of Florida A and M College, and the Homecoming game between the "Gators" and the "Tigers" of Tuskegee Institute. Of course Mrs. Lee was cheering for the "Tigers." Mrs. Mitchell for the "Gators." The trip was indeed a pleasant one. Mrs. Mitchell's sister and her husband of Bethune Cookman College and a friend Mr. Thurston of Bethune also went to make the trip more enjoyable. Thanks to Mr. and Mrs. Pitman, the parents of Mrs. Mitchell for the wonderful hospitality of their comfortable home.

Bean City P. T. A. was represented at the District Meeting held last Saturday morning at the Lake Shore Elementary School by Mrs. Ora D. Lee in absence of the president, Mrs.

lrene Jones. This was one of the best meetings yet held and made one think of a state rather than a district meeting. The president, Mr. Mays appointed Mrs. Lee as Research Chairman. Included in her work will be organization, membership, and Parent Education. Mrs. Lee is fully equipped for the job having spent her life in the schools and communities of Florida, and having studied in our best schools.

The First Baptist Church of Jean City, Rev. Kennedy pastor has just closed a revival meeting. There were a large group who were baptized on last Sunday. The church is growing. Come over and help us.

Marvin Jackson, the son of one of our community workers, and David Williams were hurt in a car wreck last week. They are not seriously hurt, and we are glad that they are improving and will be in school soon.

Buy the Belle Glade Herald each week. It has news for you, and it has news about births, deaths, social affairs, community meetings, games or programs.

Pahokee Everglades Camp School

Pahokee: Everglades Camp School has organized its Student Council with the following student officers: Joe Louis McCoy, president; Tedolia Campbell, Vice President; Louise Bostic, Secretary; Effie B. Manderville, Asst. Secretary; Mentorla Byrd, Treasurer; Hattie Lee Parks, Reporter; Ora Lee Bonds, Chaplain under the sponsorship of Mrs. Agnes Summers.

The Jr. Red Cross Council has finished its first project of gift boxes and Halloween favors, and reports an enrollment of one hundred per cent under the efficient leadership of Mrs. Nancy L. Burks.

The school has purchased a new piano which is much needed for the enriched program that is planned by the faculty. One of the activities that has been given for the benefit of this project was the Halloween party October 31, at the school-house.

The principal, Mr. St. Elmo A. Greux was honored with a surprise birthday party by the 7th grade Tuesday afternoon, October 31 at three o'clock. He received many useful gifts from students and faculty.

He left early Wednesday morning November 1, for the principal council at Tallahassee, Florida.

VOCATIONAL HIGH LOSES HOMECOMING GAME FRL

Launching Everglades Vocational High's Homecoming, school bands and a float of floats formed a parade down the main streets of town Friday afternoon.

The buoyant spirits did not save the team from a 19-7 defeat by Carver High of Delray Beach Friday night. The visitors ran up their fifth straight victory.

Ray McDougal placed Carver in front when he ran 38 yards to score. Belle Glade made it 7-6 at the half by a 35-yard touchdown drive and conversion. Allis Davis did the scoring.

Carver rallied as Jake Pulem went 57 yards to put the team ahead, and Slick Baine converted. Then McDougal intercepted a last period pass and Carver went 47 yards, the scoring accomplished on a pass, Baine to McDougal.

The contest for Miss E. V. H. ended Wednesday, November 8, 1950. The winner of the contest was Carolyn Adams of the 8th grade. Her attendants were: Christine White, a senior and Margaret Eggleton a member of the 7th grade. The winning contestant was crowned at the Homecoming game, November 10, 1950.

Second Grade

The Second Grade wishes to thank the following persons for donations during the recent drive: Mesdames Gene Lang and Huler, Messrs. Samuel Deard, Marion Sherrod, Grover Jones, E. T. Harris, L. S. Teague, Lowe, Williams, Lory, Williams, Pruitt, Eggleton, Jack's Fish Market, and Dr.

Christina. These donations helped the second grade to have the highest amount raised in the elementary department. Again we wish to thank each of you.

Little Miss E. V. H. Contest came to a close on Wednesday, November 8, 1950. The title "Little Miss E. V. H." was won by Hazel Poole, fourth grade A. In the primary department the first and second grades had the next highest amounts of money. The attendants for Little Miss E. V. H. came from these grades. Little Marie Parrish was the first grade contestant and Little Geraldine Chapman, the second grade contestant. All of these contestants took part in the parade and coronation of the high school Miss E. V. H. at our homecoming game Friday night, November 10, 1950.

Our school patrol members were quite thrilled this week when their uniforms, ordered some time ago, finally arrived. Hereafter we have not been able to provide uniforms for the patrol, but this year the teacher-sponsor was granted an amount from our school treasury with which to purchase the uniforms. An installation program will be held at which time the members of the safety patrol will be officially assigned to their respective duties. We feel that the importance of safety in and outside the school plant cannot be over-emphasized.

Classroom Notes

In line with our school's safety program, which is an overall one, the children of the fourth grade have been working on a Safety Unit about one of man's most destructive enemies—FIRE. During this time of year when the mornings and evenings are quite cool (even in Southern Florida) the fire hazard becomes quite imminent. Fires indoors and sometimes outdoors are being built for warmth. Also, many people are burning leaves and other debris outdoors on these

cooler days. For that reason we have been working a great deal with a unit on fire. As a result the children themselves have compiled the following 10 Rules for Protection against Fire: (1) Be careful with matches, (2) Be careful with oil, (3) Keep oilstoves clean, (4) Don't play with fire (5) Be careful with candles (6) Don't pour water on burning oil (7) (Continued on Page 7)

200,000 freshmen can't be wrong!

We believe that something has happened in 1950 that you should take to heart.

Ever since this year's Buicks were introduced, their big bulge in sales has come from people who traded other makes of cars for this bounteous beauty.

The total is more than 200,000.

That's 200,000 "freshmen" added to the roll call of Buick owners—200,000 people who must have sized up the current version of the cars they owned, and decided that Buick offered more thrill, more comfort, more satisfaction for the money.

Beyond that, of course, there were other hundreds of thousands who already owned a Buick and bought a new one

this year. But we're speaking here of new owners only.

We can name many reasons for this landslide—including Fireball power—an incomparable ride—and Dynaflow Drive.*

We can remind you that the Buick SPECIAL, SUPER and ROADMASTER just about blanket the range of a car-owner's aspirations—matching prices with many sixes in the lower brackets—matching distinction with the finest in the fine-car field.

We might add that Buick prices are doubly attractive—since their list prices include many features customarily on the "extra" list.

But why try to spell out all the reasons Buick wins in a showdown? The proof of the pudding is in this great car itself. Better come in—look it over—and find out what an unbeatable buy it is.

*Standard on ROADMASTER, optional on other Buick models.

tail than the charter under
which the Town is now operat-
ing and is patterned on the
best features of new charters
of other towns in the state.Following the public hearing
during which the chief points
will be explained by Town At-
torney Ralph O. Johnson and
suggestions received as to
any changes which the public
may desire, a final draft of the
charter will be made for sub-
mission to the State Legisla-
ture. After adoption by the
State Legislature it will be
submitted to a referendum of
the electorate of South Bay.The bid on the audit of the

Meaning that you can call a lot more people, and more
can call you... that business concerns can reach,
and be reached by, far more customers and
prospects. In quality, too, the service grows
faster and better. And the price is still low.
The cost of telephone service has advanced far less
than most other things you buy.

PAINT AND BODY

Lake Buick offers you the finest in Paint and Body work. The recent installation of a modern Paint booth, with cleanliness uppermost in mind makes it possible to give your car a beautiful dressing up. We invite you to come by and let us show you this modern addition to the dealership. Our prices are very reasonable.

UNDERCOATING YOUR CAR

Regardless of the condition of the under portion of your car, we will steam clean to remove all dirt and foreign material, and then apply Undercoating to all chassis metal. This operation will protect the car from rust, it will seal from any possibility of water leaks through the under portion of car, and will reduce possibilities of squeaks and rattles, which in turn will make for more riding comfort. Price 29.95

USED CAR SALES

Directly across the street from Lake Buick Co., Inc. you will find our used car lot. We offer you a selection of reasonably priced cars, which have been properly reconditioned. Our sales force will be glad to show you these cars.
